

2010 Junior Golf Program at The Retreat

Junior golf classes are a great way to introduce beginner juniors to the game and allow those juniors with some playing experience to transition from just hitting range balls and putting on the practice green to playing 9 holes. We will focus on all aspects of the golf game, including how to play the golf course and learning the rules of golf to prepare them for 9 holes and 18 hole tournament play.

Each session will consist of four 90 minutes classes for ages 8 and up on Sunday's beginning in April. A sign-up day and informational meeting will be held Sunday, March 28th at 2:00pm for those wanting more information about the junior program.

Juniors that are interested in tournament play will be able to participate in junior tournaments. The Northern Texas PGA Section Junior Golf Foundation and the U.S. Kids Golf Tour all offer tournaments in the DFW area throughout the year. You will find attached information regarding memberships for each of these tours. We hope to have several players that will want to participate this summer.

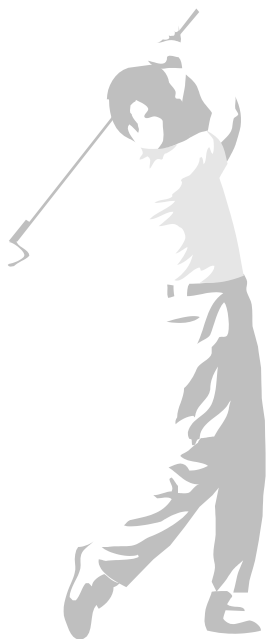

Please let us know if you need help finding golf clubs for your child. Having the correct size of clubs will make learning and playing much more enjoyable. Clubs that are too long and too heavy make learning the golf swing much more difficult. We have U.S. Kids Clubs in stock, which are very easy to fit the junior golfer to ensure a proper fit. Golf shoes and golf gloves are not necessary but more of a personal preference.

The Retreat PGA professional staff looks forward to helping each junior reach his or her potential in the game of golf whether to play competitively in tournaments or to just learn how to play the game of golf.
